Principal's Message

August 19, 2010

Dear Parents and Guardians,

Welcome back to a new school year! We are all so excited to see the new and returning families here at St. Therese School. This morning's Mass was a beautiful example of why we are here. Father Vincent said it so well, "We are here to give thanks to God for all He has done, and to give praise for His glory."

The school has been buzzing with activities as the teachers and students learned new routines and schedules. Over the summer the Wilcox family, owners of Teradon Industries and St. Therese School alumni, donated a new public address system complete with bells and sirens. This system has allowed us to integrate everything into a more effective system. We are still working out some of the kinks and may be changing the morning bells to be better heard for the morning line-up outside.

Many years ago the school ran Cad 5 lines under the parking lot to the middle school to provide Internet access to our teachers and students. Over the years the connection has deteriorated and now we need to replace it. We will be going with fiber optics to ensure that this new line will last well into the future. Once this is complete, the middle school computer lab will be up and running again.

Our Home and School and School Advisory Council (SAC) have been very busy ensuring we are on task for the school year. Home and School handed out fliers at Orientation Day outlining the upcoming events. As I mentioned at the Orientation Mass, the student cost is actually \$6,100.00, whereas we only charge \$4,300.00 for the first child with a discount for each additional child. In order to make up the difference we have to fund raise. Our fund raising goal is \$50,000.00 for this year. Of course, if you prefer to not participate in the fund raising efforts, you are more than welcome to pay the full \$6,100.00 per student cost. To be honest, all of our fund raising events turn into social events and are actually a great way to meet new people and to become more connected to the school.

On behalf of the school staff, I would like to wish you all a very blessed year filled with God's love and gifts that will help us all to become the people that He intends us to be.

Heavenly Father,

You sent your only son to redeem the world. May we be made worthy of your love in our actions and in our deeds. Bless our parents as they direct their children in your ways. Bless our teachers as they lead our children on your path. And bless our children as they follow the "little ways" of St. Therese.

In your name we pray. Amen

Mrs. Donna Illerbrun, Principal
